Granville East Public School

OUR CHILDREN

Term 4 - Week 6 **Thursday 18th November**

A World of Opportunities

Our Year 5 and 6 students will be participating in a ***Mock High School*** program next week.

This is when our school transforms into a high school! The students will participate in different activities in different rooms, following a high school timetable. They will enjoy:

- Food technology
- Woodwork
- English
- Science
- PE
- French.

The Stage 3 teachers have invited high school teachers to be involved in the program. Thank you to staff from *Macarthur Girls High School* and *Arthur Phillip High School*. What a wonderful way to prepare our Stage 3 students for life in the future!

Students are high achievers!

Congratulations to Prem and Sandesh for your acceptance into an Opportunity Class for Year 5. Eight Year 4 students sat the OC test— 2 were accepted and another is on a reserve list.

Parents back School Leadership

95% of parents agree that *"the school leaders understand the school and get the best from staff and students"*.

100% of parents agree that *"the school leaders value contributions of individuals and groups"*.

Feedback from the survey indicates that the leadership team needs to inspire and motivate more and be open to new ideas. Thank you for you feedback.

CHILD SAFETY

Children should not be at school before 8.30am.

Supervision is provided from 8.30am—9.00am

This term **1/2 A** have been learning about growing and changing and have been looking at the life cycle of different living things. Here are some of our frog life cycles. We enjoyed learning about the different stages of growth that occur and seeing these changes with live tadpoles in our library
