

Year 5 and 6 students at camp!

39 students were at school bright and early yesterday to board the bus for 3 days of adventure, challenge and fun at *The Great Aussie Bush Camp* at Kincumber. Miss Morris, Mrs Mellish and Miss Alison are supporting this wonderful opportunity. Students will engage in raft building, rope climbing, archery, the giant swing, fencing, bushwalking and outdoor cook-outs around a campfire. I can't wait until they return Friday afternoon with many stories to tell and memories to treasure.

Community Thank You

Next Tuesday, 4 December, we are hosting a Thank You luncheon for all of our parents and community members who have helped out this year. It will be held in the Library at 1:15 and is our way of saying Thank You. All welcome.

Mock High School...coming soon

Our Stage 3 students will soon participate in our Mock High School program. For 3 days, students will follow a high school timetable and engage in classes such as cooking, music, PE, science, IT, art and geography. They will follow a different bell system, meet in home-rooms and have a range of teachers.

Student Reports

Semester 2 Reports are due to go home next Friday 7 December. These reports provide information about how your child is achieving against state standards. They are brief summaries—teachers have a wealth of professional evidence to support their judgements. If you would like further details, please see the teacher.
