Cultures of Thinking

2 weeks ago, 4 staff at GEPS attended an international conference on building *Cultures of Thinking* in Melbourne.

Researchers from Harvard University provided keynote presentations on valuing thinking; the role of questioning in learning; providing time & opportunities for deep thinking; and encouraging thinking to be visible in everything that we do.

Mrs Crawford, Miss Swain, Ms Reynolds & Mrs Tainsh with Ron Ritchhart (Harvard Uni)

We're off to The House!

Our Dance Group and Choir will perform at Sydney Opera House on Monday 14 September in "Our Spectacular". We are so proud of both groups and wish them luck!

Let's Create, Let's Celebrate!

On *Wednesday 16 September*, every student at GEPS will perform in our whole school performance day!

Please come along and celebrate with us—11:30am in our Hall.

Success comes in many different forms

On the last day of this term, *Friday 18 September*, we will hold our **Celebration Assembly**. This is an opportunity to recognise achievement & progress in many forms: perseverance, self-direction, citizenship, improvement, resilience, collaboration... Please join us at 9:15am in the Hall.
